Committee reports:

Social Activities:

- Casper Babypants in Sept. Lisa will make a flyer.
- Guitar Lessons: 8 people are signed up. Howard wants to know if we should take a waiting list.

Membership:

- Crime watch and emergency planning are pushing membership up. Can we make announcements at the FICRA Fair soliciting for members for FICRA, crime watch, and emergency planning committee? This could be done in between acts as long as microphone isn't misplaced. George will have a wireless mic.
- Emergency planning donations are coming in due to all the interest in Cascadia Rising awareness.
- Total Members: 412. Goal for membership of 450 for this year.

Publicity: Lisa visited the store window box. People are posting in our box. Should we lock the box? It is a combo lock. No one has the combo. Stapletons have the capacity to print 13 x 19 posters for the window box. Perhaps we can find someone with larger printer capacity.

Student Speaker: Finished this year with no award. We will meet in Sept. to decide if we want to pursue this next year. Do we want to open up to students off the island?

Next meeting is July 14, 2016.

Meeting was adjourned at 8:57.

Respectfully submitted, Denise Parrish
